

RoHS Declaration – Certificate of Compliance

Ecomass Technologies manufactures certain thermoplastic composite materials described on its website at www.ecomass.com hereafter referred to as Ecomass® Compounds. Ecomass Technologies certifies that Ecomass Compounds are in compliance and conform to the European Union’s Restriction of Hazardous Substances in Electrical and Electronic Equipment (RoHS) Directive 2015/863/EU, sometimes referred to as RoHS 3, which becomes effective on July 22, 2019. The RoHS 3 Directive restricts the use of ten substances in electrical and electronic equipment.

All Ecomass Compounds have less than the RoHS 3 limits stated below for the ten restricted use substances. This Declaration is based on our analysis, vendor supplied analysis or material certifications, and/or lab test results of the component raw materials used in the manufacture of Ecomass Compounds.
